

The Analysis of Verbal Behavior (ISSN 0889-9401) is primarily for the original publication of papers relevant to a behavioral analysis of verbal behavior. The journal is published annually by the Verbal Behavior Special Interest Group (VBSIG) of the Association for Behavior Analysis (ABA) and the Northern California Association for Behavior Analysis (NCABA). Authors are encouraged to submit theoretical or empirical papers to the Editor, Mark L. Sundberg, P. O. Box 21492, Concord, California 94521-1492. Papers should be relevant to at least one of the following topics: the elementary verbal operants, autocalitics, multiple control, private events, rule-governed behavior, epistemology, scientific verbal behavior, language acquisition, language assessment and training, second languages, pedagogy, the verbal behavior of non-humans, and verbal behavior research methodology. All manuscripts will be reviewed by the Editor and selected members of the Editorial Board. ABA is not responsible for the content of this journal.
